Our Purpose

The New York Metropolitan Chapter of the Association of Clinical Research Professionals:

- Provide a means for professional interaction and continuing education, problem solving, and discussion of professional issues among local groups of ACRP members.
- Increase the opportunities for member participation in ACRP activities.
- Supply a readily accessible mechanism for regional program development.
- Create a network to rapidly gain member feedback on issues of concern to ACRP committees and the Association Board of Trustees (ABOT).
- Provide a locally effective membership recruitment mechanism.
- Deliver improved access to ACRP resources, including certification.

Founded in 2003

New York Metropolitan Chapter members come from New York, New Jersey, Westchester, Long Island, Connecticut, Rhode Island and Pennsylvania

Approximately 200 members

And growing
