

BRAIN AWARENESS WEEK 2014 EVENT

Alzheimer's Disease: Prospects for a Cure

Come join us for an insightful and informative public forum about the future of Alzheimer's treatment featuring leading experts from four separate segments of the Alzheimer's professional community.

When and Where:

Saturday, March 15th, 1-4pm
Hunter College, Rm HW714
904 Lexington Ave (between 67th and 68th Streets)

Speakers:

Richard Mayeux, MD, MSc

Director of the Sergievsky Center, Co-Director of the Taub Institute for Research on Alzheimer's Disease and the Aging Brain, Columbia University Medical Center

Howard Fillit, MD

Executive Director, Alzheimer's Drug Discovery Foundation; Clinical Professor, Ichan School of Medicine at Mount Sinai Physician, The Rockefeller University Hospital

Thomas McRae, MD

Senior Director, Global Clinical Development Lead, Clinical Sciences Group, Global Innovative Pharma Business, Pfizer

Christopher Ochner, PhD

Assistant Professor, Icahn School of Medicine at Mount Sinai; Co-author of book, "The Alzheimer's Diet"

Moderator:

Cynthia Duggan, PhD

Associate Director of the New York Academy of Sciences Alzheimer's Disease and Dementia Initiative

Guests will have the opportunity to interact with the speakers and other members of the Alzheimer's professional community after the forum. Light refreshments will be catered by the View on the Hudson.
