“Excessive storage” conditions can contribute to the growth of large fires and become obstacles during evacuations.

How to Stay Safe:

• Do not store anything in CUMC hallways.

• Maintain an adequate aisle within your office or lab for emergency egress.

• To discard large items or request a garbage or recycling bin, submit a work order to CUMC Facilities or call 212-305-HELP, option 3.

IN CASE OF EMERGENCY
Call Public Safety at 212-305-7979 and 911
