GUIDELINES TO DETERMINE WHAT FINANCIAL INFORMATION MUST BE COMPLETED FOR U.S. CITIZENS AND PERMANENT RESIDENTS

We require signed and dated copies of 2015 IRS tax forms, the 1040, 1040A, or 1040EZ form, W-2 forms, and all supporting schedules and statements for all persons supplying information on the FAFSA and the CSS Profile application (student, spouse, parents).

New students’ tax forms – due February 28th, and you will submit them via the CSS IDOC Services. If we haven’t received signed complete copies before we determine your award, your financial aid award package will be tentative and subject to change.

Please indicate which category of financial aid you are requesting:

☐ I AM SEEKING ONLY external loans such as the Federal Direct Unsubsidized Stafford, Federal Direct Graduate PLUS, private/alternative loans and/or Federal Work-Study:

  • complete the FAFSA, student sections only. If you are married, your spouse's financial information is required.

☐ I AM SEEKING CDM GRANT/SCHOLARSHIP AND CU LOAN ASSISTANCE (a.k.a. "institutional funds") AS WELL AS EXTERNAL LOANS:

  • complete the FAFSA (providing parental financial information as well as your own and your spouse's), and the student/spouse and parent sections of the CSS Profile application.

  • IF YOUR PARENTS ARE DIVORCED OR SEPARATED, information is required from both of your parents and their current spouse(s).

  • IF YOU ARE MARRIED or INTEND TO MARRY DURING THE ACADEMIC YEAR, your spouse's (or prospective spouse's) financial information is required.

We will assume if you do not complete a CSS Profile application, you wish consideration only for Federal Work-Study funds, or external loans such as Federal Direct Unsubsidized Stafford, Federal Direct Graduate PLUS, or private loans.
