April 23rd, 2020 is national bring your sons and daughters to work day. Historically, bring your child to work day was a day to do just that, “bring your child to work”. Now that most children have become the new “office mates”, we invite parents and their office mates to participate in some virtual work life fun.

**Activity one: Share a Photo**
Send in a picture or video of you and your child from your home office, wherever that may be. The picture or video should include you and your child engaging in some form of work activity such as, attending a virtual work meeting or editing a presentation. Photos will be posted on the CUIMC HR website.

*Submit photos and/or videos by end of day Friday, 4/24/2020, to: tr2513@cumc.columbia.edu*

**Activity two: Learn Origami**
Origami is the art of paper folding. Learn with your child how to create a small sculpture on **Friday, 4/24/2020 at 12:00 PM**, via zoom. Bring paper and scissors.
